

# Conflict Resolution Process

1. Have a mindset of honor towards each other and willingness to listen.
2. Pray before beginning to negotiate.
3. Choose one issue at a time to resolve.
4. Let each person speak without interruption, telling their view of conflict.
5. Let each person give their idea of what a possible solution could be.
6. Decide which solution you both can live with and agree on trial period.
7. Try out solution. If not workable, repeat the above process again.

*"Be devoted to one another in love.  
Honor one another above yourselves."*

*Romans 12:10*
